Reflections.

Which ever path I choose

To continue life's journey

When I leave this place,

Will not hinder the fond reflections

Of time spent here,

*Among friends and smiles,
Foes and Tears,*

Victories and Defeats,

Masquerades and Reason,

Knowledge of life and everwandering spirits.

In Memoriam Henry Morgan

Henry Morgan

On November 29, 1977 William Penn lost one of their fellow classmates. Henry Morgan, born January 3, 1959, died at the age of 18. Henry had been handicapped by a serious heart condition from earlier years. A member of the Junior class, Henry was a happy, well-liked person, who got along well with his fellow students. He learned to live with his handicap by first accepting it, and he held a good out-look on life. Those of us who knew Henry will remember him for his pleasantness.

The 1977-78 football season proved to be a fair season. Jeff A. Ruby, a rookie head coach led the Bearcats to a 5-5 record. Considering the loss of many starters at the beginning of the season outstanding players still pulled through. The best game of the season was the "Battle of the Roses" with Lancaster where the Bearcats regained the bucket of roses with the winning score of 3-0. Next year's team looks promising because 14 lettermen are returning for another try.

FRESHMEN FOOTBALL

Under the supervision of Coach Clarence Shuler the Freshman football Team had another very encouraging season. The team began practicing in August and worked hard to produce their 3-3-1 record. Their only tie occurred in the last game of the season against Red Lion which ended up to be 16-16

FIELD HOCKEY

The 1977-78 girls field hockey team was definitely an improved team. This year the Bearcat girls were directed by Coach Doris McNeil. Their coach worked hard to upgrade both defensive and offensive skills. Together they had a good season, 1-10-1. Even though they lost 5 experienced seniors, they plan to work hard for an even stronger season next year.

TENNIS

Under the instruction of coach Marion Blair, the girls tennis team compiled a 1-9 record in the YCIAA girls tennis league. The girls worked hard at developing the basic essentials for a sound team and had the opportunity of using these techniques in actual playing experiences. This year the team was rebuilding. All of the senior members were no longer with them. About 20 girls participated, most of them underclassmen. The varsity consisted of juniors Jody Grove, Karen Stell, Kathy Kling, and sophomores Joy Gingerich and Staci Fink. With the return of this year's varsity players and the other hard working girls, next year the team will have the experience and depth needed for a winning team.

77-78 proved to be a pleasing year for Coach Mescon and his co-ed golf team. Turning up a 4-3 record, the golf team defeated three of their contenders, York Suburban, York Catholic, and Dallastown (twice). Outstanding team member, Linda Mescon, placed third in the P.I.A.A. Tournament held in Hershey, PA. Linda also won the Girls District III Golf title and will return again next year as a senior.

CROSS COUNTRY

Mr. Eby, Coach

This was a rebuilding year for our fine Cross Country team. The team produced a respectable 7-5 record and the best individual runner in the league. Three of the losses were very close decisions. Later the team sought revenge on two of these teams in the District Three meet. The Cross Country team almost completely comprised of underclassmen. The only senior member was Captain Lynn (Flash!) Kohler. Lynn led the team with 10 first place finishes which became a school record. Lynn finally won the All-League Run establishing himself as the League's number one runner.

The 1977-78 wrestling team proved to be an outstanding group of athletes. After losing four of the first five matches and several varsity wrestlers, they worked harder to pick up the slack. As a result the team started to improve and they won the next six matches. The best performance of the team was at the District III, Sectional II tournament where the team placed a close second behind Dallastown. The team duplicated their efforts, boasting three county champions. Sectional champions were George Harrison (98), Larry Mescan (138), and Jerry Stokes (unlimited). Ed Foller (126) was a runner-up, and Richard Ness (105) and Maurice Little (119) claimed third place positions.

Showing much improvement for next year's team were Jeff Cash, Bob Salisbury and Barton Beatty.

Along with the leadership of seniors Sarah Beaverson, Cecilia DaSilva, Annette Kennedy, and Winona Spells the Varsity squad achieved a 8-5 record. The squad traveled to Camp Curtain Jr. High and participated in the Capital City Holiday Tournament where they defeated Halifax and lost to Reading taking home the consolation prize. The team also entered the District Playoffs.

ANNETTE KENNEDY REACHES 1000

On January 10, 1978 during a home game against rivals from Dallastown Annette Kennedy made an outstanding accomplishment, scoring her 1000th point. Being the first girl to ever achieve this in the YCIAA League Annette became filled with much pride and emotion. The game was halted and Annette was presented the gameball by Mr. Eckenroth and coach Pat Byerly. Miss Kennedy was later voted player of the year and named to the All-Star County Team and the Mid-State All-Star Team. Annette ended her season with a total of 1255 points.

J.V. BASKETBALL

The Girls J. V. Basketball team in its second year of play coached by Doris McNeil, welcomed eleven new players along with four returning members. With much enthusiasm and a lot of hard work the girls accomplished a record of 7 wins and 3 losses. The team will be rebuilding next year with hopes of an even better season.

VARSITY BASKETBALL

Varsity Basketball, as other sports, suffered a rebuilding year, losing all but two lettermen from the year before. The team still finished with a record of 8-11. Coach Benjamin Bond in only his second year of experience, still helped the team's performance against the incredibly strong Central Penn teams. The team also possessed some outstanding players. The team always showed itself well and no matter what the score, always showed Bearcat hustle and Bearcat Pride.

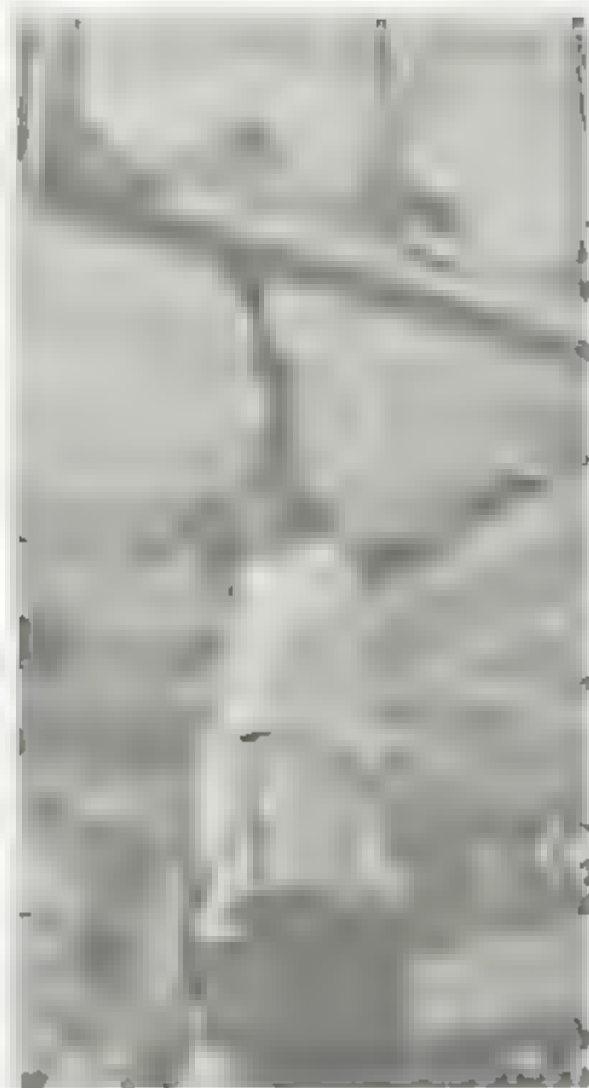

Mr. Bond, Coach

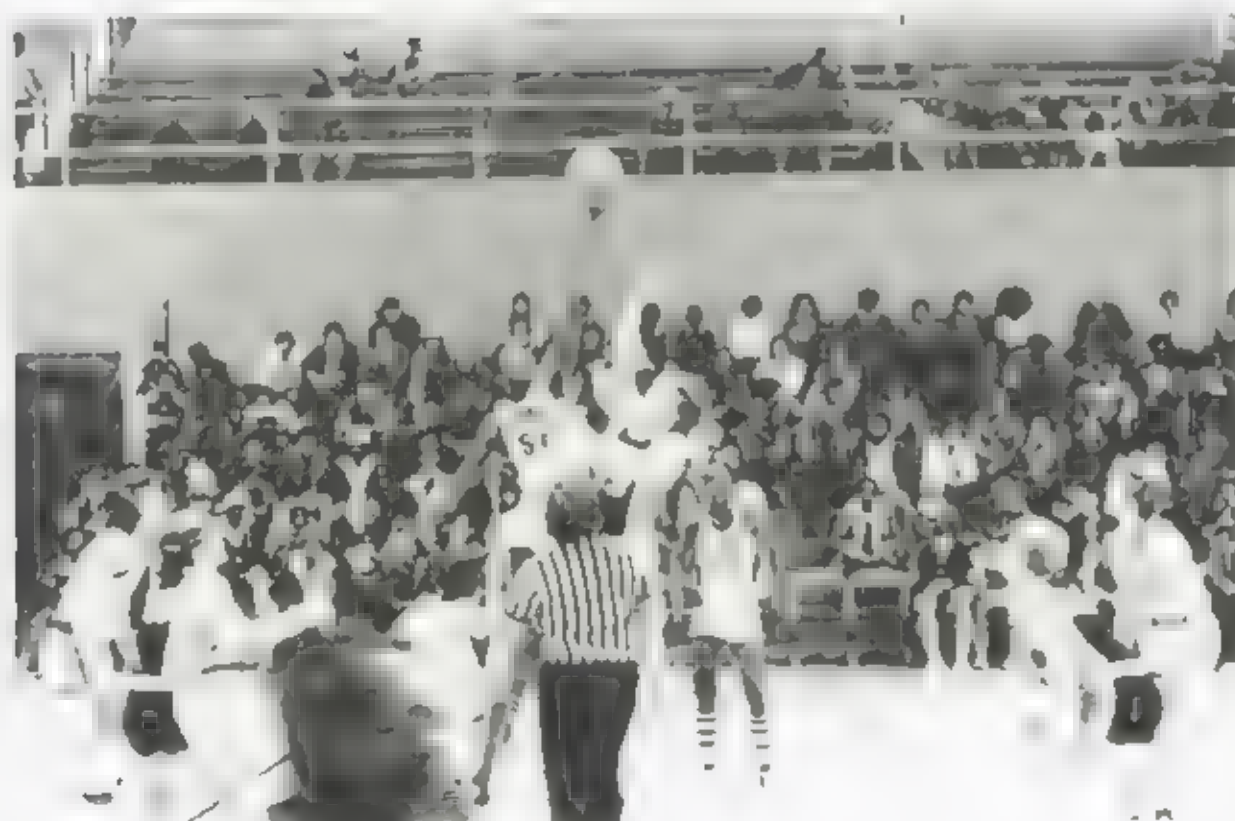

J.V. BASKETBALL

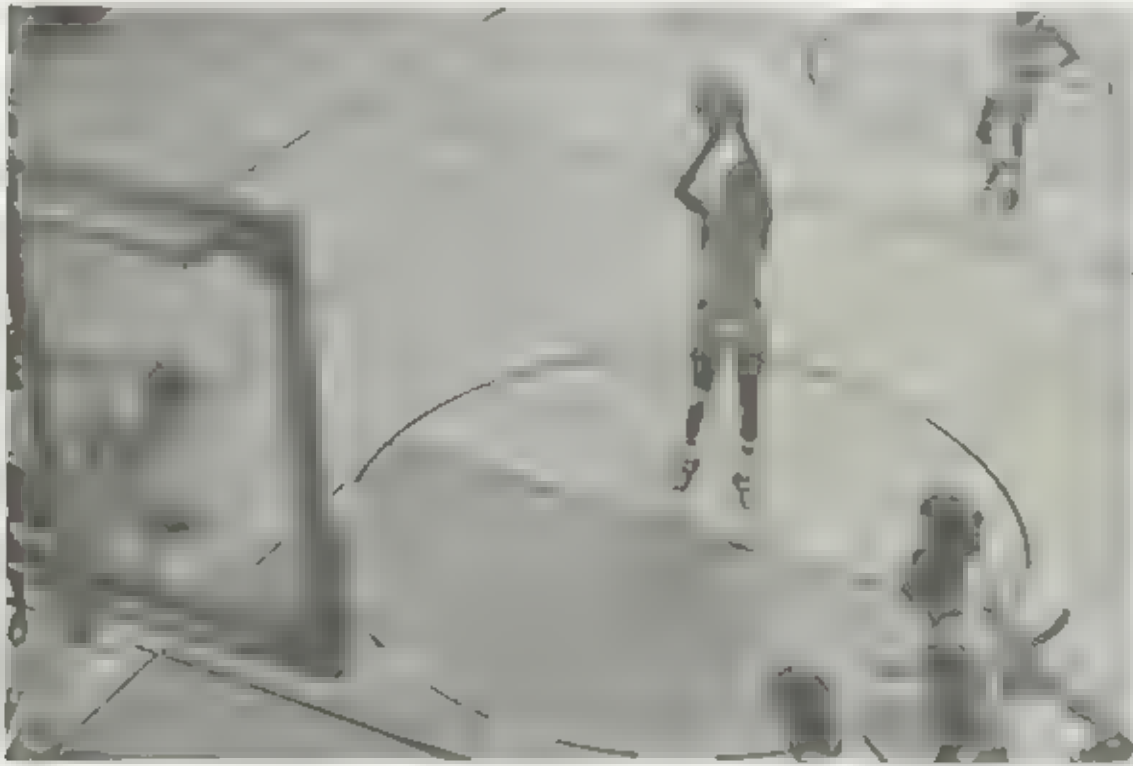

The JV basketball team had an exciting season. The team, coached by Carl Matson was the Central Penn League Championship Team. The team features many more sophomores than Juniors and should provide a good nucleus for next year's varsity team. Not only were they champions of their league, but they were also champions of sportsmanship. With a team like this, who knows what lies in store for next year.

Row 1: Darryl King, Tyrone Duncan, Steven Orr, Nathan Ray, Darryl Dickson. Row 2: Jeff Brown, Manager, Albert Hoover, Gus Greer, Chris Doleman, Robert Roman, Todd Calhoun, Jerry Orr, Manager.

Cooched by Mr. Kessler, the Freshman Basketball team enjoyed a successful 11 - 4 record. They played several one and two point games. There was an exciting 2 point win over Harrisburg; Our team just missed breaking York Catholic's 50 game winning streak by 2 points. The leading scorers were Bernard Register and Willie Westry. The entire freshmen squad showed great potential during the 77 - 78 season. Our next year's Bearcubs will enter the YCIAA Jr. High League for the first time.

SWIMMING

Head coach Bill Schmidt and assistant coach Mr. Hughes, began a promising year of rebuilding the Girls swimming team. With an excessive turnout by the freshman class their outlook for the future is good. Diving coach, Donald Aston, worked with the girls to help strengthen their diving abilities. Being that there are no seniors on the team, they will come back next year with more experience and hopes of a better year. Two girls from the team, who just happened to be sisters, traveled to districts to enter further competition. Beth Hoover competed in the 100 yard breaststroke and Amy Hoover entered the diving competition.

RETIRING PERSONNEL

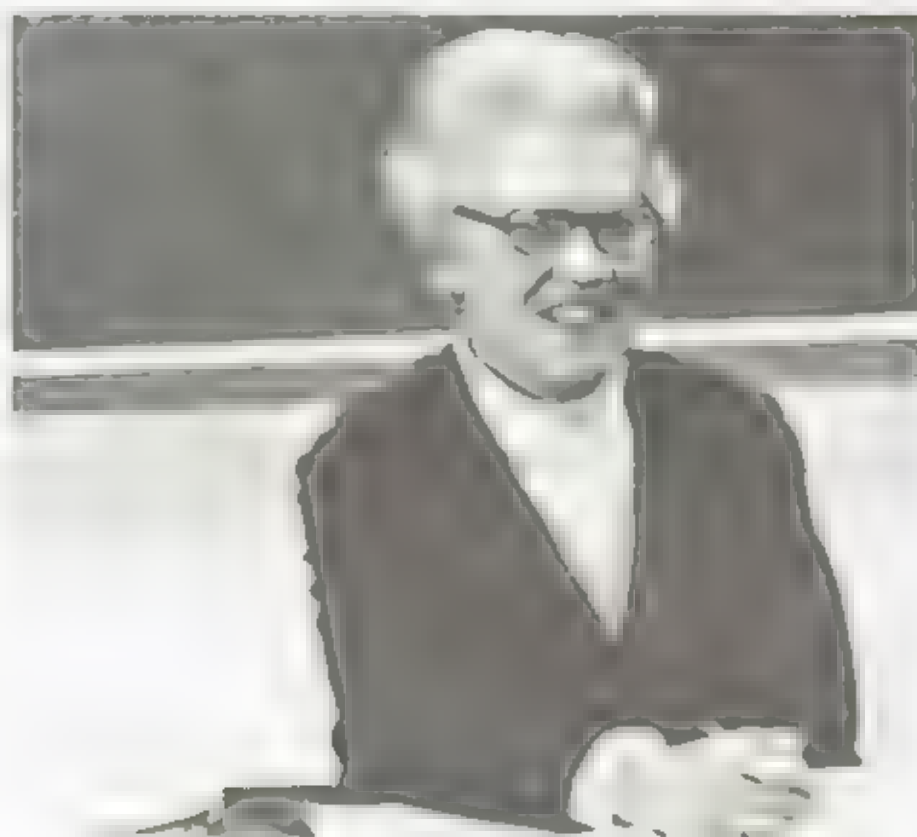

Mr. Houseal

Mr. Donald Houseal who has been teaching health at York High is planning to retire this year. Mr. Houseal received a B.S. degree from Temple University and a Masters of Education from Western Maryland. He also served in the United States Armed Forces.

Golf and oilpainting are among Mr. Houseal's hobbies. After retirement he plans to travel. Mr. Houseal would like to thank everyone for making his many years at William Penn rewarding.

Mrs. Prouty

Mrs. Jessie Prouty began her career as a teacher in English because of her interest in young people. A graduate from Middlebury College in Vermont, she received her B. A. degree in Language Arts. After that she taught at Green Mountain Junior College. Mrs. Prouty began teaching at York High in 1966. She stated that her years spent at York High were a challenging experience which she enjoyed very much. After retirement she plans to spend more time on her hobbies which are: golf, gardening, knitting and bridge. She will also visit her grandchildren and travel.

Mrs. Bauer

Mrs. Miriam Bauer attended Juniata College for her B.S. degree. Before coming to York High Mrs. Bauer worked at Juniata College and then at York College teaching Anatomy and Medical Terminology. She loves to teach students who are receptive and who want to learn. After retirement she hopes to travel and do all the hobbies that she enjoys, such as crafts, gardening, flower arranging and shell collecting.

Mrs. Weaver

Mrs. Loretta Weaver is a graduate of Bloomsburg State College, earning a B. S. degree. She then began teaching in the business department of York High. Mrs. Weaver enjoys teaching all of the teenagers here in our school. There are no immediate plans after her retirement except for possibly working on her hobby: collecting various small seashells and then making knickknacks out of them.

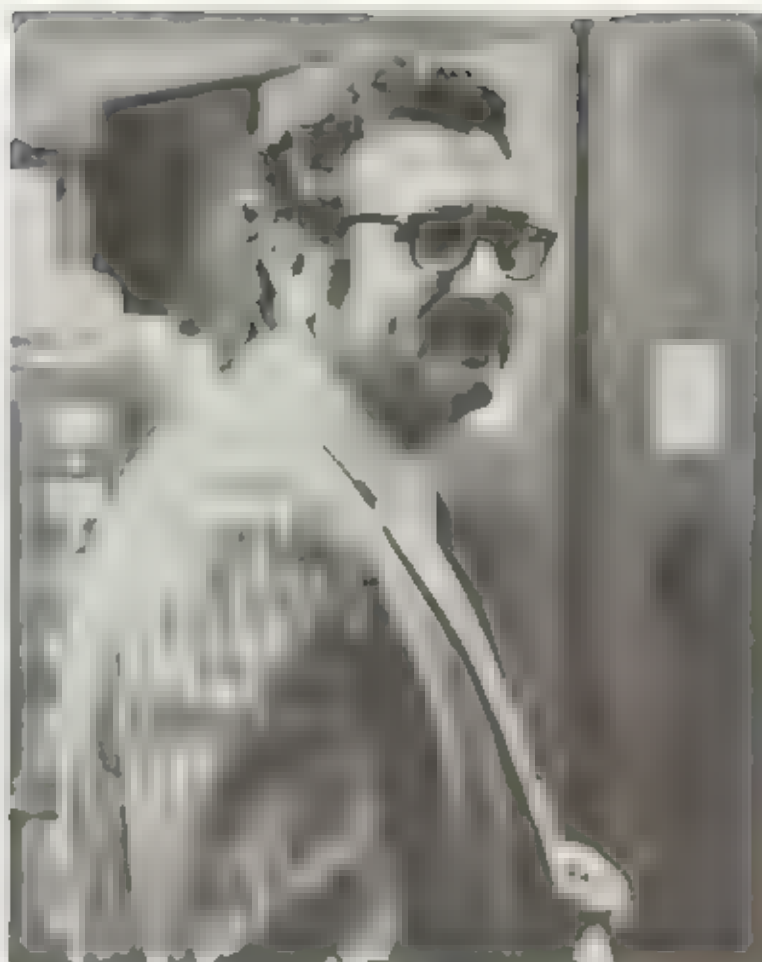

Mrs. Plymire

One of our efficient, Main Office, secretaries also retired this year. Mrs. Mildred Plymire said her last good-byes to York High in December 1977. Mrs. Plymire's cheerful smile, helpful hand and conscientious presence will be greatly missed here at York High.

IN MEMORIAM

MR. C. GUNNAR HAKE

I shall remember Mr. Hake as the man in this school most willing to help a student. He always strived to make our library one of the nicest places in this school. I for one enjoyed going there and shall miss Mr. Hake's familiar presence.

Karen Sowers

Mr. Hake was a real help in the library. Any time you needed a subject looked up and had trouble, Mr. Hake was always there to help. A friendly man, I know I'll miss his presence.

Tom Darr

*Seated—Mrs. Kopp, Mrs. Lauer.
Standing—Mr. DeBeukelaer, Mrs. Stabler, Mr. Hake.*

Mr. Hake was born and raised in York County. He attended Oberlin College in Oberlin, Ohio. After graduating he became a television announcer for W.G.A.L. He then decided to become a teacher and later a librarian. He came to York High and has been here for the last 16 years.

His favorite hobbies were watching baseball and reading. He belonged to HAP (Human Action for Pets), which is an organization that raises money to help needy pet owners spay and neuter their pets. His main aim was to make the William Penn library an easy library to use so students would enjoy coming to the library.

David Delle

Mr. Hake will always be remembered by me for his willingness to help and his efficiency. His vast knowledge that he shared so eagerly with everyone extended far beyond the walls of the William Penn Library. I am certain that I speak for everyone when I say that Mr. Hake will be sadly missed by students and teachers alike.

Bonnie Yost

Mr. C. Gunnar Hake was a good man at his job. He enjoyed his job because he enjoyed being with people. Always a man who cared, always a friend who listened. As I have seen him, Mr Hake helped everyone and was never too busy for a question. Death may have taken him but his memories will lie in the minds of students and teachers alike. I knew him as a friend a librarian and a helping hand, and many knew him like I did.

HOMECOMING

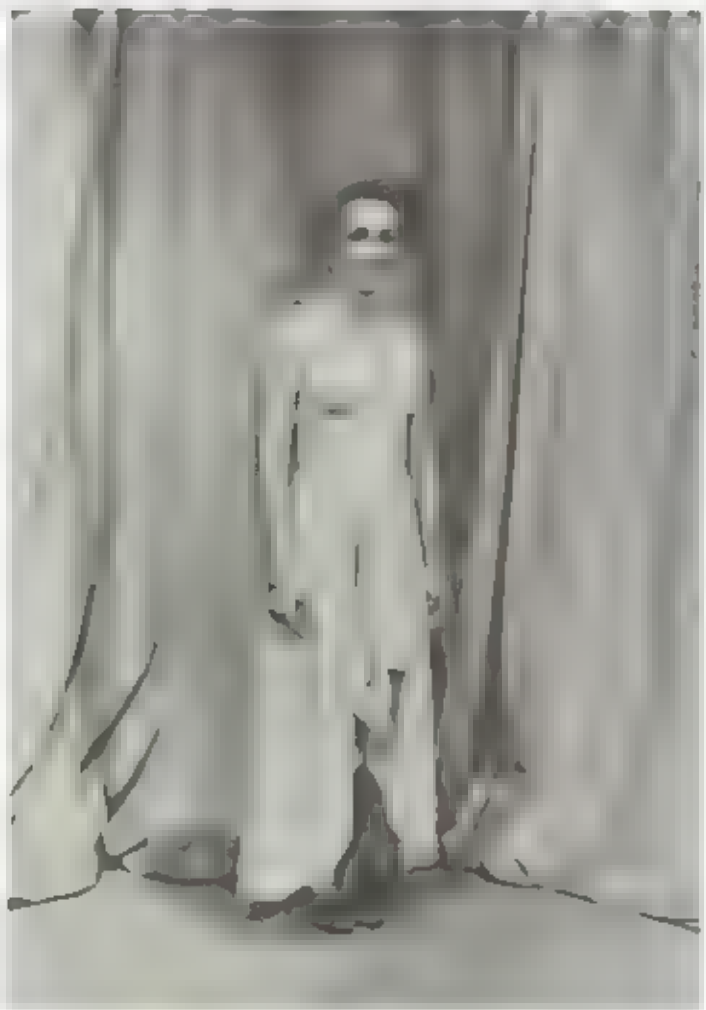

QUEEN, ATTENDANTS

Jennifer Banks, First Attendant

Cecilia DaSilva, Homecoming Queen

Nan Senft, Second Attendant

Homecoming '77 was a successful event. The theme was "Time" and the song was "Does Anybody Really Know What Time It Is" by Chicago.

Friday, October 21st started the festivities when Cecilia DaSilva was crowned Homecoming queen at the annual assembly. Jennifer Banks was voted first attendant and Nan Senft was voted second attendant. The Homecoming Bonfire was held Friday night at Small's Athletic Field.

The band, cheerleaders, floats, the queen, and the court participated in the parade to Saturday's game. The Grand Champion prize in the float competition was awarded to the Seniors.

Although the scoreboard of the Homecoming game against Reading read 46-0, the team deserves credit for their outstanding efforts.

The Queen and her court were presented during the half-time activities. The Homecoming weekend finished Saturday night with the dance. The group "Maxwell" provided the lively entertainment. Bonnie Yost served as co-ordinator.

CLASS FLOATS

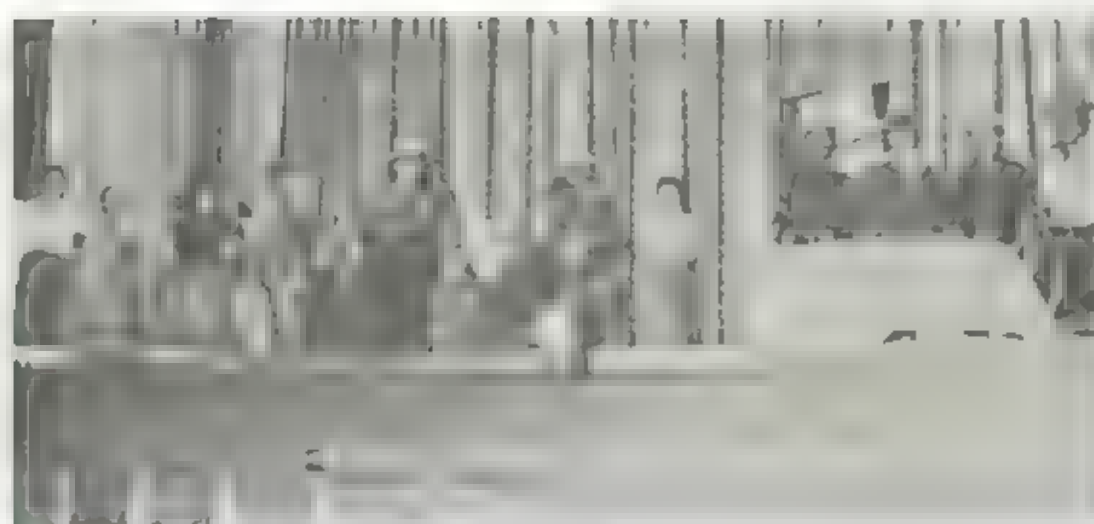

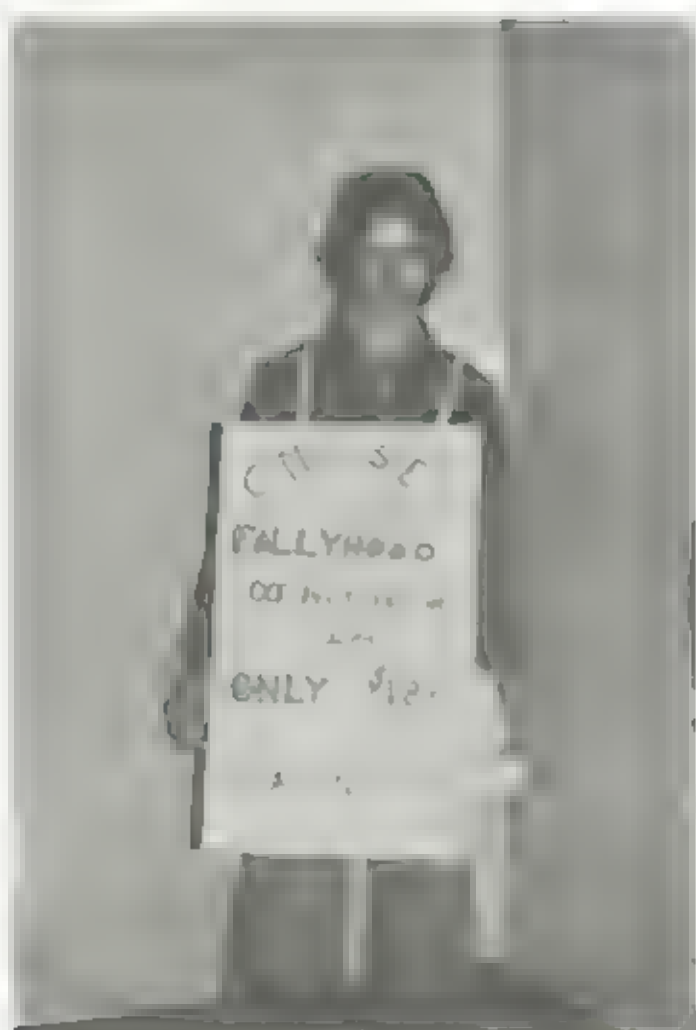

FLOATS. Every year each class is allowed to build a float based on the Homecoming Theme. The theme for '77 was Time, therefore all the floats reflected, in some way, time. Grand Champion went to the Senior class with the Juniors receiving first and the Sophomores second. It takes a lot of hard work and time to build one of these floats, but there is also a lot of pride involved.

BONFIRE. York High's Annual Bonfire was held on October 21st, at Small's field. The Bonfire, built by Mr. Eisensmith, blazed into the night sky, as proud cheerleaders cheered and the band played on. The Bonfire which is held to build up spirit for the Homecoming Day, is always a great success, with many students, teachers and alumni, in attendance.

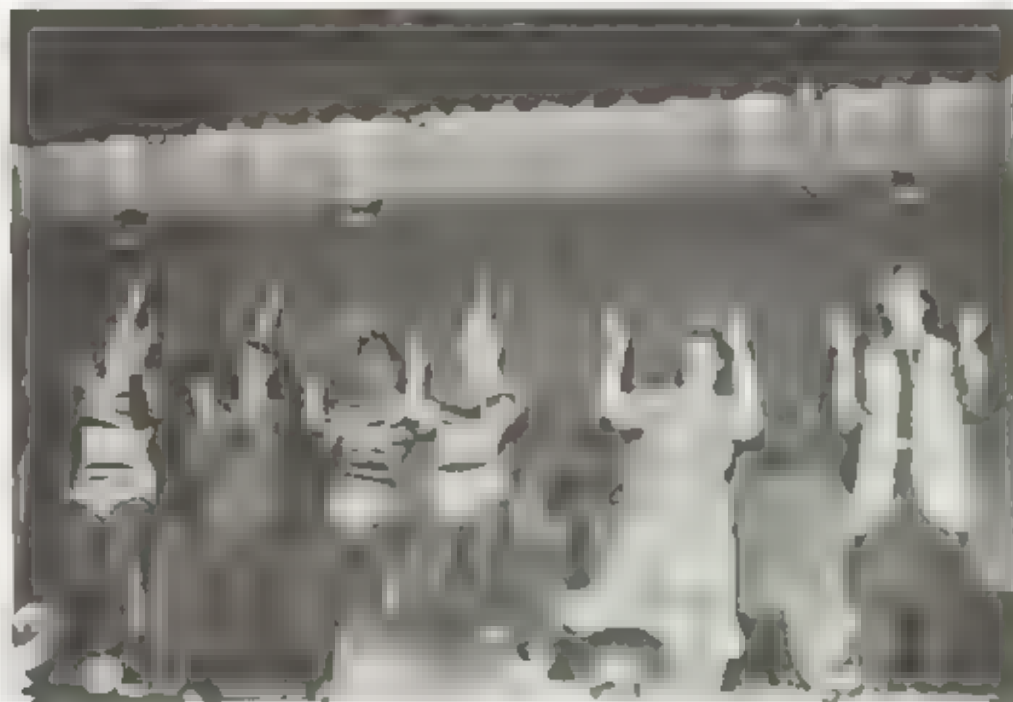

FOLLIES

The Follies is a production that the students put on every year. It is written, directed, and acted out by the students. This year some of the student leaders were Beth Smith, Julie Downs, and Becky Keiper. Some of the skits were "Curly Top," "Romeo and Juliet," "A Star is Hatched," and "Silent Movie."

"Cinderella and the Prince"

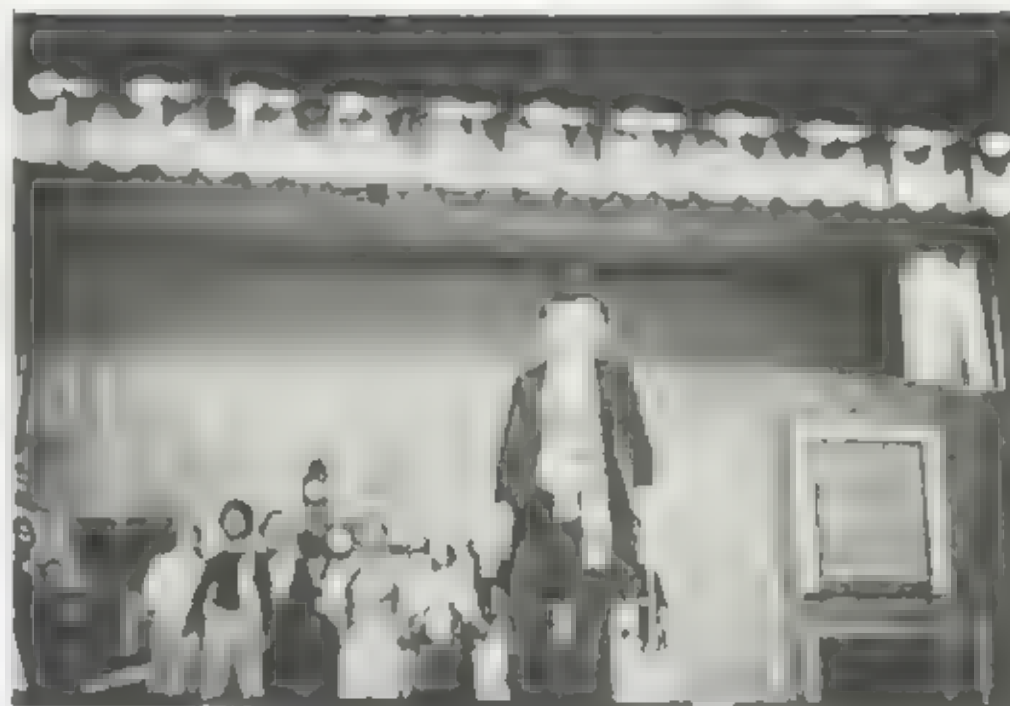

CINDERELLA

CINDERELLA. This year's musical was presented Friday, February 23rd, and Saturday, the 24th, in the auditorium. The audience was delighted with the Rogers and Hammerstein version of "Cinderella". There was also an extra performance for the elementary and Middle School students on April 2nd, during the day.

Julie Downs and Randy Weaver played the lovestruck couple, Cinderella and Prince Charming. The King and Queen, portrayed by Ron Hake and Julie Krape, proved to be a charming couple, despite their inability to see eye to eye. Judy Wolfgang, as the stupid stepsister, Portia could be seen exasperating Beth Smith who was playing Joy, the ugly step-sister who made designs on Prince Charming. To Cinderella's good fortune, Luanne Dietrich as the fairy god-mother intervened and thwarted the conniving tricks of the evil step-sisters. The cast, in conjunction with the orchestra, brought a night of magical wonderland to the William Penn stage. The show was enjoyed by all, especially the cast who had as much fun presenting it as the audience had viewing it.

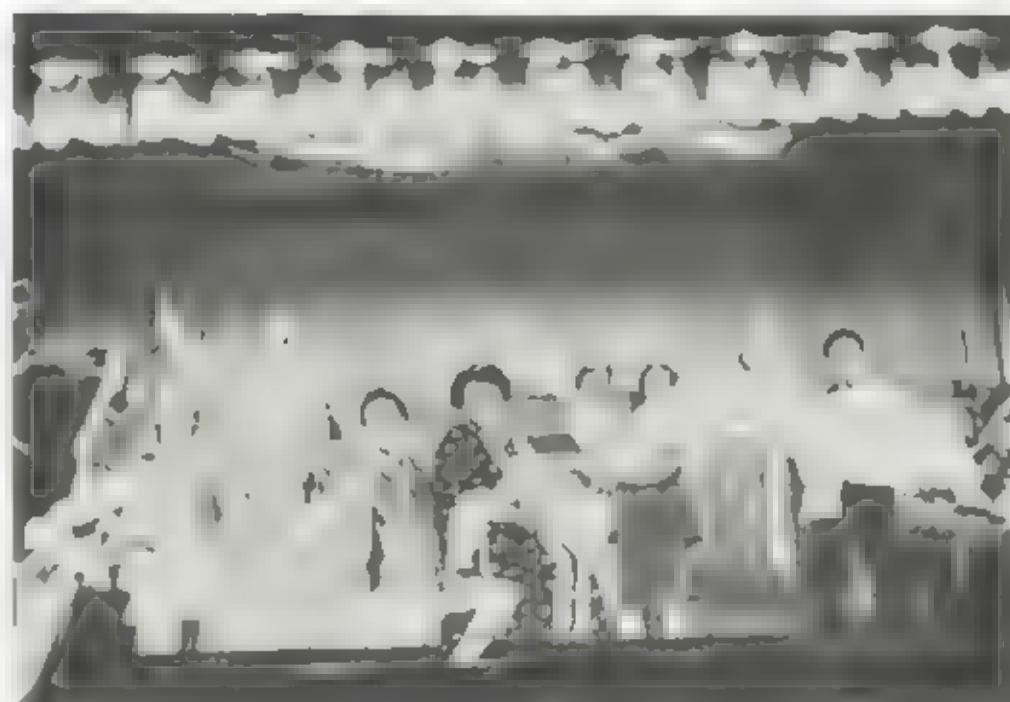

Eric Weinbrom, Mr. Scrooge

SCROOGE

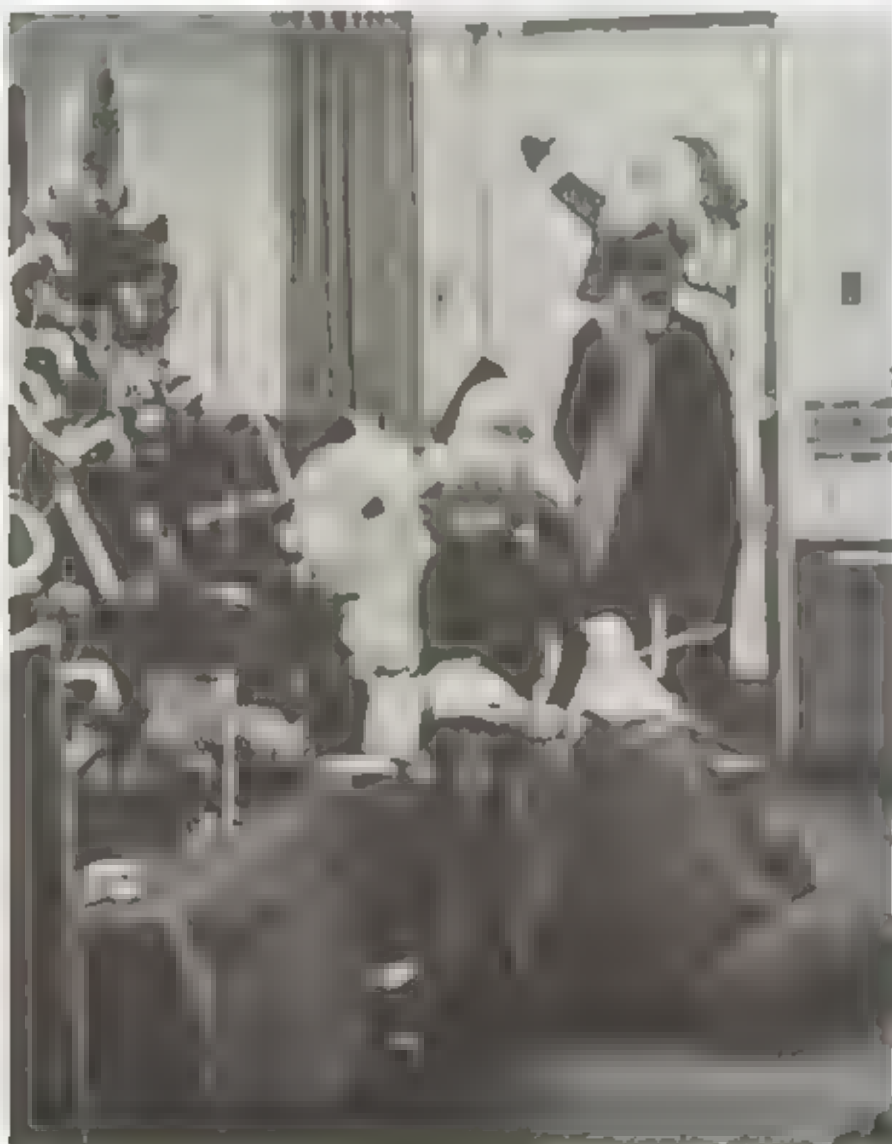

SCROOGE. "Scrooge" was a musical adaptation of Charles Dickens'. "A Christmas Carol." It was the annual Christmas Dessert Theater for York High. The Dessert was provided by Thespian Troupe. A brass choir was on the steps of the school and carolers promenaded throughout the cafeteria. The cast included Eric Weinbrom as Scrooge, Randy Weaver as Mr. Cratchit and Beth Smith as Mrs. Cratchit. Ben Weichert warmed the audience's hearts as Tiny Tim. Judy Wolfgang haunted Scrooge by being the ghost of Christmas past.

CHRISTMAS VISITATIONS

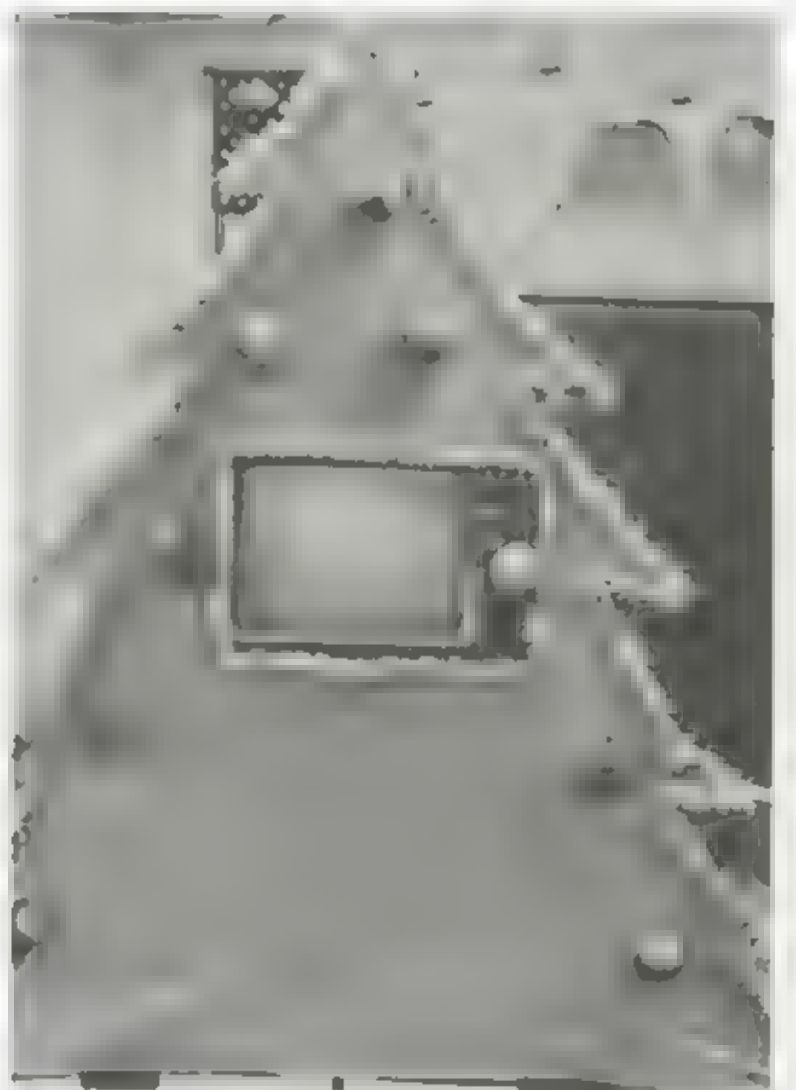

On December 23, 1977, York High students, accompanied by Mrs. Roslyn King and Mr. Harry Kehler took part in the annual convalescents visitations. The group included Student Council, Senate, House of Representatives, Instrumentalists, and other student volunteers. The Lutheran Home, Memorial Hospital, Misericordia, Pleasant Acres, and Colonial Manor were among the places visited. Carols were also sung at the Administration building. The visitations were directed by Student Co-ordinator, Dale Mann.

HOMEROOM DECORATIONS

Homeroom decorations were a success this year. The winning homerooms were E311 and C206. Pictured here are examples of some of the interesting decorations.

They captured first place at Lancaster where Terry Shutter and Chris Bacas won outstanding soloist awards in their respective categories. On April 7th, the 11th Annual Jazz Festival was held. Bands from Red Lion, Spring Grove, Central, Cedar Cliff and Lancaster McCaskey competed. The Serenaders and the Stage Band also appeared.

The 1977 - 1978 Senate was very active in school related activities. Along with the annual Hall of Fame assembly and luncheon, they were involved with the eighth grade orientation, the Charities Fair, The Convalescent visitations, the Elections for Student Council, and numerous fund raising projects.

COMMITTEES

This year, the Charities Committee worked diligently to insure the success of Charities Week and the Fair. Their responsibilities were to set a date for the fair, come up with a theme, make posters and containers incorporating the theme, organize homeroom collections, make daily announcements, the Miss Charities Assembly and finally the Fair. This year's chairperson was Judy Wolfgang. Mike Vondran designed the posters and Luann Dellinger designed the containers.

NATIONAL HONOR SOCIETY

National Junior Honor Society is a national organization sponsored by N.A.S.S.P. There are 2,382 active chapters in public schools in the United States.

The purpose of the society is to recognize and honor students of the 9th and 10th grades with superior achievement. Students are chosen according to class rank. The top ten percent are candidates. Those who became members were inducted into the society April 27th. Juniors and seniors who have achieved a high grade point average and have shown themselves to be good examples of scholarship character, service and leadership are qualified to be members of this society. The past year, the society was involved with many varied programs. They included many service activities such as posting homeroom numbers, planning the Homecoming Assembly, tutoring students, decorating the showcase for "Back To School Night", and serving as guides for new students and college representatives who are unfamiliar with the building. The society also had many projects for enjoyment. Two fun nights were sponsored, a Christmas party was held, and a trip to Smithsonian Institute in Washington D.C. was made possible by the hard working group who held a car wash to fund the trip. The year was a fulfilling and invigorating one for all of the members as well as the advisor Mrs. Patricia Stentz.

THESPIAN

Citamard is the dramatics organization at William Penn. Members include all students who are often active in drama. The National Thespian Organization is open. In order to become a member, a student must acquire ten points which are available by participating in many areas of theater, whether it be acting, painting scenery, working on the technical crew, or helping with the production of a show. A student receives a star for every ten points he acquires after the initial ten. Being involved with the annual productions is the only way to do this.

Scarab Art Society provides a workshop program for students who are interested in art. This program allows the students to work on individual projects and to work at their own pace. A variety of crafts, such as ceramics, macreme, weaving and enameling are available through Scarab Art. Also, if the members are involved with the school's art classes, they can work on class projects. One of the major activities of the year in the club is to prepare salable items for the Charities Fair.

Pennings is a literary magazine of creative writing that contains poetry, short stories and art work of William Penn students. This year's edition was printed in the school print shop.

Hi-Lites the school newspaper, is published by the journalism students. They write the articles and headlines, take the photographs and paste up the paper before it is taken to the printers. The paper has six pages, and comes out eight times a year. Mrs. Jennifer Gonzalez is the advisor.

The American Field Service is a club which is responsible for welcoming Exchange Students from other countries and making them feel at ease at York High. Their responsibilities also include supporting the foreign exchange program financially. In conjunction with the adult chapter, the members of the club raised money by having a bake sale at the Follies and the Jazz Festival, selling peanuts at the football games, and raffling a pinata. They also had a gypsy fortunetelling booth at the Charities Fair. The highlight of the year was the reinstatement of the AFS exchange weekend. Students came from other schools to participate in many varied activities. The weekend began at Central Bowling lanes where there was much merriment while the group held a costume bowling party. On Saturday morning the crowd could be seen wondering around the stalls of the market house after a meeting with the mayor and after a tour of County Control. Later that afternoon they had an enlightening historical tour of the city. A covered dish ended the festivities.

This year the Communications Committee was involved with a myriad of activities. Called upon to broadcast or to lend their services to every school assembly, they still found time to produce fine "Pennscope" and "This Week At York High" programs. Many communications assistants also volunteered for extra-curricular shows such as "The Pale Pink Dragon", "Cinderella" and the "Follies". In each production they acted as sound, light and other types of stagemen. The year was climaxed by a field trip to WGAL TV-8 where they saw Noon Day on 8 being filmed. They also received a tour of the station.

The Bearcat Den is a concession stand worked by students at football games. At the end of the year the most dependable workers are awarded a trip. The trip this year was a day in Washington, where the Den visited the zoo, the Smithsonian Institute and the National Art Gallery.

CHARITIES FAIR

The Charities drive of 1978 was a tremendous success due to the efforts of the charities committee and the student body. Homeroom collections began the charities week on March 6th. On Friday, after the homeroom collections were in, the assembly heralded the reign of the new Miss Charities.

Brian Mange was crowned this year's dazzling winner. The week concluded with the Fair which brought to life many new stalls as well as Standard exhibits. A haunted house spooked many thrill-seekers, gypsies foretold futures and people threw sponges at many of the well-known personalities at York High. The good times were accented with the knowledge that the proceeds were going to a good cause. Twelve non-profit organizations from York County received \$100 each. Mrs. Roslyn King was the advisor and Judy Wolfgang was Chairperson of the committee.

ASSEMBLIES

The assemblies are school gatherings to offer information or entertainment. They are held in our auditorium, or, in the case of pep rallies, by the pool or in the gym.

MR. THEODORE F. FREED

Theodore F. Freed, age 84, received his long-sought high school diploma in January, 1978. Because of his father's death, Mr. Freed was forced to drop out of York High in 1909 during his junior year.

Mr. Freed grew up on Cherry Street in York, where his father owned livery stables and serviced a lot of prominent people in York. Remember that the automobile was a new thing and when the word horsepower was used real horse power was meant.

Orphaned at such a young age, Mr. Freed was forced to work. His first job was at P.A. & S. Small where he earned \$15 a month. In 1910, he became an apprentice draftsman at the Pullman Motor Company and then attended the Patrick Business School.

After school Mr. Freed helped organize the Sphinx Motor Company and from 1914 -1918 helped design vehicles. In 1918, he went to work for the Read Machinery Co. where he became Vice President and General Manager.

Mr. Freed has since accomplished many things. As the former York County Republican Chairman from 1956 - 61, Mr. Freed was also key advisor to former governors William Scranton and Raymond P. Shafer.

But he still didn't have a diploma. Mr. Freed stated that, "I always had wanted to have that diploma, but didn't know how or what I should do about it." He was even willing to attend classes.

With the idea originating from Charles Robertson, Mr. Eckenroth decided that Mr. Freed was "most deserving" of a diploma and Dr. Holliday enthusiastically approved the decision. Mr. Freed was awarded his diploma in January, during a special assembly. The Class of '78 is very proud to have such an honorable person in its graduating class.

SENIOR CLASS SONG

by

Tim Martin

and

Jeff Wood

*Time went faster than we all thought,
Tomorrow's here and it can't stop, moving on,
moving on,
Lots of joy and lots of pain
We have been through but we stayed together,
That's why we're moving on.
But now the tears will have to dry,
And the laughs they all must subside,
And you know some of us didn't live to see
this day,
But we must move on..*

*As you go through the rest of your life
Make the world an easier place to strive,
Just move on, move on.
Everything will be in your hands,
You must make your own stand
You have to move on, move on.
No more sports, no more plays,
The curtains close and that's the end.
Most of our games will end today,
But move on for better, better days.*

*Now the Tatler is all we have,
Remember the days when we were glad
We're moving on, we're moving on
Memories come back in the form of a song
We make it at last
Now we must go moving on, moving on.*

The musical score is written for voice and piano. It consists of 12 systems of music. The vocal line is written on a single staff, and the piano accompaniment is written on two staves. The score includes lyrics for the song, which are printed below the vocal line. The music is in a key of G major (indicated by one sharp) and 4/4 time. The score includes various musical notations such as notes, rests, chords, and dynamic markings. The lyrics are: "Time went faster than we all thought, Tomorrow's here and it can't stop, moving on, moving on, Lots of joy and lots of pain We have been through but we stayed together, That's why we're moving on. But now the tears will have to dry, And the laughs they all must subside, And you know some of us didn't live to see this day, But we must move on.. As you go through the rest of your life Make the world an easier place to strive, Just move on, move on. Everything will be in your hands, You must make your own stand You have to move on, move on. No more sports, no more plays, The curtains close and that's the end. Most of our games will end today, But move on for better, better days. Now the Tatler is all we have, Remember the days when we were glad We're moving on, we're moving on Memories come back in the form of a song We make it at last Now we must go moving on, moving on."

The Navy offers graduates more than congratulations

In the Navy, a job means more than just a good paycheck

It means the adventure of seeing places like Greece, Spain, Hawaii and Hong Kong. It means becoming an expert on exciting technical equipment in our submarines, on our jets, and in our ships. It means doing a job that really counts with people who count on you to do it.

The Navy can give you training in more than 40 career fields. Talk it over with your Navy recruiter. He'll be able to tell you what you can qualify for in the Navy.

ADVENTURE.**
